TOWN WARRANT

The State of New Hampshire

To the Inhabitants of the Town of Bow, in the County of Merrimack, in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Community Building in said Bow on Tuesday, the 14th day of March, 1967, at ten o'clock in the forenoon to act upon the subjects hereinafter set forth. The voting on Articles 1 to 4, inclusive, will be by official ballot, and the polls shall open for balloting at ten o'clock in the forenoon and shall not close before eight o'clock in the evening. The remaining articles of this warrant shall be acted upon at eight o'clock in the evening or at the closing of the polls if the meeting shall vote to keep the polls open to a later hour.

1. To choose by Non-Partisan Ballot the following town officers:**

One Selectmen for three years

A Town Treasurer for one year

A Town Clerk for one year

Three members of the Budget Committee, one for two years, and two for three years

One Trustee of Trust Funds for three years

One Library Trustee for five years

A Sexton for one year

A police chief

2. To vote by ballot on a proposal by the Planning Board to amend the Zoning Ordinance of the Town of Bow, as heretofore amended, as follows:**

Amend Paragraph H of Article IV, as adopted and added at the annual town meeting held on March 8, 1966, by re-lettering said paragraph as I.

3. To vote by ballot on a proposal by the Planning Board to amend the Zoning Ordinance of the Town of Bow, as heretofore amended, as follows:**

Amend Article IV by adding at the end thereof the following new paragraph:

J. Every application for a building certificate for

the erection or alteration of any building or structure on a lot having frontage on a Class VI highway, shall be accompanied by the written acknowledgment of the applicant that he understands that the Town of Bow has no legal duty to place such Class VI highway in suitable condition for travel thereon, or to repair or maintain such highway, or to keep the same open in the wintertime.

4. To vote by ballot on a proposal by the Planning Board to amend the Zoning Ordinance of the Town of Bow, as heretofore amended, as follows:

Amend the Zoning Maps by transferring from an Agricultural District to a Commercial District Parcels 7, 28 and 29 and parts of Parcels 25, 26 and 27, all in Block 4 of the Tax Map; and by transferring from Commercial and Residential and Agricultural Districts to a Residential District Parcel 26 of Block 1 of said Tax Map; all as more particularly shown on Zoning Map A revised February 16, 1967 on file with the Town Clerk.

5. To see if the town will vote to accept the budget as submitted by the budget committee.

6. To see if the town will vote to authorize the Board of Selectmen to borrow money in anticipation of taxes.

7. To see if the town will vote to petition the State Tax Commission to have an audit by the Division of Municipal Accounting of the town accounts.

8. To see if the Town will vote to authorize and empower the Planning Board to approve, or disapprove, in its discretion, subdivision plats showing streets, or the widening thereof, or parks, in accordance with the provisions of RSA 36:19, as amended; and, in the event of adoption of a resolution granting such power, to require the Town Clerk to file with the Register of Deeds for Merrimack County a certificate or notice that the Planning Board has been so authorized, giving the date of such authorization.

9. To see if the town will vote to raise and appropriate the sum of three thousand (\$3,000.00) dollars to be added to the Capital Reserve Fund established for the purchase of highway equipment.*

10. To see if the town will vote to raise and appropriate the sum of five thousand (\$5,000.00) dollars to be added to the Capital Reserve Fund, established for alteration, addition, improvement, and acquisition of lands for the Baker Free Library.*

11. To see if the town will vote to authorize the Board of Selectmen to withdraw from the Capital Reserve Fund for Town Buildings the sum of twelve thousand (\$12,000.00) dollars for building a Highway Shed at the Dump Land on White Rock Hill Road.*

12. To see if the town will vote to raise and appropriate the sum of nine hundred sixty (\$960.00) dollars for T.R.A. construction, the State to furnish the amount of sixty-four hundred (\$6,400.00) dollars to be spent on Brown Hill Road.*

13. To see if the town will vote to improve the construction of the public highway known as North Bow-Dunbarton Road and raise and appropriate the sum of sixty-five hundred (\$6,500.00) dollars for this purpose.*

14. To see if the town will vote to improve the construction of the public highway known as Robinson Road and raise and appropriate the sum of fifty-five hundred (\$5,500.00) dollars for this purpose.*

15. To see if the town will vote to improve the construction of the public highway known as Logging Hill Road and raise and appropriate the sum of ten thousand (\$10,000.00) dollars for this purpose, the State to furnish matching funds.*

16. To see if the town will vote to improve the construction of the public highway known as River Road and raise and appropriate the sum of six thousand (\$6,000.00) dollars for this purpose.*

17. To see if the town will vote to improve the construction of the public highway known as Branch Turnpike at Bow Center and raise and appropriate the sum of two thousand (\$2,000.00) dollars for this purpose.*

18. To see if the town will vote to authorize the Board of Selectmen to withdraw from the Capital Reserve Fund for High-

way Equipment, the sum of three thousand (\$3,000.00) dollars for a road sweeper and tractor.*

19. To see if the town will vote to raise and appropriate the sum of two thousand (\$2,000.00) dollars to be added to the Capital Reserve Fund for the acquisition, addition, construction, re-construction, alteration, and improvement of public buildings of the town.*

20. To see if the town will elect to approve of the inclusion of its officers and employees in the Employees' Retirement System of the State of New Hampshire, which system is provided for by chapter 27-A of the Revised Laws, as inserted by chapter 183 of the Laws of 1945 and as provided by chapter 201 of the Laws of 1945 and any subsequent amendments thereto.

21. If the town votes in the affirmative on the preceeding article, to see if the town will vote to raise and appropriate the sum of one thousand (\$1,000.00) dollars for the purpose of providing funds for the town's contribution to said retirement system, for the coming year.

22. To see if the town will establish a town Conservation Commission as set forth in R.S.A. 36-A.

23. To see if the town will vote to authorize the Board of Selectmen to appoint the police chief, pursuant to the provisions of R.S.A. 105, instead of selecting such officer by annual election as heretofore. This article to take effect on January 1, 1968.

24. To see if the town will vote to authorize the design, construction and equipment of an addition to the Baker Free Library and for such other expenses as are necessary and incidental for the completion of the same at a cost not to exceed one hundred fifteen thousand (\$115,000.00) dollars.*

25. To see if the town will authorize the trustees of the Baker Free Library to contract with the architect, approve the design, execute the construction contract, select the furnishings and equipment and do all things necessary and incidental to the completion of the design, construction and equipping of an addition to the Baker Free Library.

26. To see if the town will vote to authorize the trustees of the Baker Free Library to withdraw from the Capital Reserve Fund for the library addition a sum not to exceed twenty-three thousand nine hundred seventy dollars and ninety-five cents (\$23,970.95) to apply toward the design, construction and equipment of an addition to the Baker Free Library and for such other expenses as are necessary and incidental for the completion of the same.

27. To see if the town will raise and appropriate a sum of money not to exceed one hundred fifteen thousand (\$115,000.00) dollars for the design, construction and equipment of an addition to the Baker Free Library and for such other expenses as are necessary and incidental for the completion of the same to be financed by the issuance of bonds or notes in accordance with the provisions of the Municipal Finance Act RSA 33.*

28. To see if the town will authorize the trustees of the Baker Free Library to make application for and to accept on behalf of the town any funds available from the State of New Hampshire and/or the United States for the design, construction and equipment of an addition to the Baker Free Library and for such other expenses as are necessary and incidental for the completion of the same.

29. To see if the town will vote to maintain and repair, and keep in suitable condition for travel as a town road, that portion of the Hopkinton Road, so called, extending Easterly from Putney Road, so called, for a distance of 350 feet. By Petition

30. To see if the town will vote an increase of nine thousand (\$9,000.00) dollars to the Police Department Budget for a full time police officer and vehicle. By Petition

31. To hear the reports of standing committees and take any action relating thereto.

32. To transact any other business that may legally come before said meeting.

** To be voted by ballot (10:00 A.M. to 8:00 P.M.)

* Recommended by Budget Committee

Given under our hands and seal, this 27 day of February, in the year of our Lord nineteen hundred and sixty-seven.

DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION

Concord, New Hampshire

SUMMARY OF FINDINGS AND RECOMMENDATIONS

February 9, 1967

Board of Selectmen
Bow, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Town of Bow for the fiscal year ended December 31, 1966, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Trustees of Trust Funds, Baker Free Library and Volunteer Fire Department.

FINANCIAL STATEMENTS

Comparative Balance Sheets — December 31, 1965 — December 31, 1966: (Exhibit A-1)

Comparative Balance Sheets as of December 31, 1965 and December 31, 1966, are presented in Exhibit A-1. As indicated therein, the Surplus decreased by \$19,846.70 in 1966. Because there were no outstanding bonds or long term notes on December 31, 1966, the Balance Sheet Surplus of \$2,616.17, represented the Current Surplus (excess of total assets over current liabilities) on that date.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the Town during the year is made in Exhibit A-2, with the factors which

caused the change indicated therein. These were as follows:

<u>Decrease in Surplus</u>		
Surplus Used to Reduce Tax Rate	\$ 5,000.00	
Surplus Transferred to Capital		
Reserve Funds	16,000.00	
Tax Liens Transferred to Tax Deeds	<u>91.16</u>	
		\$21,091.16
<u>Increase in Surplus</u>		
Net Budget Surplus		<u>1,244.46</u>
Net Decrease		\$19,846.70

Comparative Statements of Appropriations and Expenditures —
Estimated and Actual Revenues: (Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1966, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net unexpended balance of appropriations of \$2,172.84, less a revenue deficit of \$928.38, resulted in a net budget surplus of \$1,244.46.

Summary Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1966, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1966 is indicated in Exhibit B-2.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to delinquent taxpayers as indicated by the Collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be

necessitated by the return of verification notices.

GENERAL COMMENTS

Surety Bonds:

The surety bonds of the Town Treasurer and Town Clerk should be increased as follows:

Town Treasurer — from \$20,000.00 to \$25,000.00

Town Clerk — from \$4,000.00 to \$8,000.00

Conclusion:

The provisions of Chapter 184, of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Bow for their assistance during the course of the audit.

Yours very truly,

Harold G. Fowler

Director

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

Frederick E. Laplante, Auditor

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Town of Bow for the fiscal year ended December 31, 1966. In our opinion, the Exhibits included herewith reflect the true financial condition of the Town on December 31, 1966, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,

Harold G. Fowler

REPORT OF HIGHWAY DEPARTMENT

Your Highway Department put in a busy and productive year in 1966. After the winter storms were over and the frost left the ground, we completed the one mile section of Wood Hill Road that was started in the Fall, to the Dunbarton line.

We then completed the one mile section of Quimby Road from the South Bow-Dunbarton Road to the Hooksett Town line.

Then the crew moved to White Rock Hill Road and reconstructed a section four tenths of a mile long from Page Road to the Baker residence. This section was widened to a pavement width of 22 ft. The grade was raised about eight feet in the low spot, making the hill much less severe, and a lot safer.

We moved from there to Brown Hill Road and under T.R.A., a section six tenths of a mile long from Page Road to the Corson residence was reconstructed. Some of the curves were erased for sight distance, and some low and high spots leveled off. A good gravel base was laid, and it will be surfaced this year.

From there we went to River Road where we assembled a multi-plate pipe arch 66 feet long, 16 feet wide and 10 feet high. This was set in the ground to replace the old concrete bridge at the corner of the old Ferry Road. Construction was suspended at this location the first of December because of cold weather. This project will be completed this year. These reconstruction projects totaled approximately 3.3 miles.

The Bog Road had a section one mile long on the south end that we applied a seal coat to and sanded. While we were applying asphalt to our regular construction projects, we managed to penetrate and/or seal a total of thirty-one driveways for property owners in the Town. This being done on an actual cost basis for material, labor, and equipment.

The Bell and Flynn Co. was contracted to sand seal the Albin Road, the Garvins Falls Road, and a section of the Knox Rd. These people are professionals in this line of work, have the proper equipment, can do the work about four times as fast, and leaves our crew free to be doing our regular work. The cost is only slightly higher than if our own crew did the work.

The Manchester Paving Co. was contracted to pave with hot asphaltic concrete, Lincoln Park, Everett Ave. and a portion of Ridgewood Drive. This work was halted before completion, due to cold weather, and will be completed this year.

The last two items are the start of what we hope to be an annual resurfacing program, where each year, a certain number

of our roads will be properly resurfaced according to the base under the road.

The regular maintenance was continued throughout the season.

Branch Turnpike - Gravel and Labor & Grading	\$ 350.00
Albin Rd. - Relay Culvert	200.00
Allen Rd. - Gravel, Grading, and Asphalt	1200.00
No. Bow - Dunbarton Rd. - Grading and Calcium	52.00
Woodhill - Hooksett Rd. - Gravel, Grading, and Culvert	200.00
Page Road - Cutting dead trees	130.00
So. Bow - Dunbarton Rd. - Gravel and Grading	360.00
Misc. Cold Patching	550.00

The west end of the Dunklee Road was widened, graded, graveled and two coats of asphalt applied. Also the bank was cut back to provide a much safer entrance onto Route 3A. This was done at a cost of \$2,800.00.

All the trees were cut on the town right of way on the branch turnpike from the Concord line to the Hopkinton town line. This will allow the sun to get at the road and melt the ice better.

The regular winter maintenance started with the first snowfall on December 2. From that date to Dec. 31 a total of 100 tons of salt were spread.

All this makes for a busy year, and we expect a busier one this year.

We traded for two new heavier trucks last spring. They are much more powerful and this is a big help both in construction and plowing.

We have added approximately a mile and a half of new roads to our growing total with the extension of several housing development roads. This brings the total mileage of town maintained roads to over 70 miles.

We have tried in as much as possible to hire all of our hired equipment from local contractors both for construction and for snow removal. This we shall continue to do.

We wish to thank you for your cooperation during 1966, and we hope to serve you even better in 1967.

WALTER E. JONES

ANNUAL REPORT OF BAKER FREE LIBRARY
1966

The Baker Free Library of Bow has had a very busy and rewarding year. We have served all our old friends and have met many, many new ones. For the benefit of those who have yet to use our facilities we give our hours:

Winter Schedule - Monday 2:00 to 8:00 P.M.
Wednesday - 2:00 to 5:00 P.M.
Saturday - 2:00 to 5:00 P.M.

Summer Schedule - June to September
Monday - 2:00 to 8:00 P.M.
Wednesday - 2:00 to 5:00 P.M.
Friday Evening - 7:00 to 10:00 P.M.

Our staff consists of: Mrs. Helen Robinson, Mrs. Virginia Brown, Mrs. Marjorie Fosher and Mrs. Barbara Howe, Librarian.

Our circulation for the year was 28,498 books and magazines. Reference and subject materials handled were too numerous to estimate.

In May, our library lost a wonderful friend and a member of the Board of Trustees. Mr. Walter Kennedy became a trustee in 1952 and was elected secretary and treasurer, which position he filled exceedingly well until the time of his unexpected death. He is sadly missed by all of us who worked with him. Mr. Reginald Scott has been elected by trustees to fill out his term as trustee.

In October, we entertained the Mothers' Club. For Christmas, the Bow Garden Club set up a Candy Cane tree for the children. As usual, at the town meeting, we had a new book exhibit. Look for us this year and chat with us about books and plans for the new addition. We will be there all day and evening.

The trustees voted to employ Mr. Guy Wilson of Concord as the architect, using funds voted from our Capital Reserve Fund at a special town meeting. We will have the complete plans ready to be voted on at the town meeting. The trustees have applied for state and federal funds, if available, to help finance this addition.

The need for an addition to our library is very pressing. The staff is most handicapped in their working area; the stacks are crowded; the children need their own room; reference and study

space is not now available and adults certainly need a comfortable place to read, browse and relax. For them we plan a reading area.

We ask you, the voters of Bow, to think about all these things, taking into consideration that each year we wait, the higher the costs will be. Also, a more desperate effort will have to be made by the staff to keep the Baker Free Library up to high library standards.

Respectfully submitted,

BARBARA K. HOWE,
Librarian

BOW PLANNING BOARD

The Bow Planning Board met nineteen times during 1966.

Four public hearings were held.

The Board heard specialists in several planning phases, adding to the knowledge so necessary for beneficial planning for the future of the town.

After the March election, the Board of Selectmen appointed a Conservation Committee, as asked for by the Planning Board. This Committee and the Board met jointly two times. The Committee, after it has been set up as a Commission, can be a distinct asset to town development.

PROPOSED AMENDMENTS TO ZONING ORDINANCE

The Planning Board of the Town of Bow, having held public hearings on proposed amendments to the Zoning Ordinance as required by law, submits to the voters at the annual town meeting to be held on March 14, 1967 the following amendments to the Zoning Ordinance:

1. Amend Paragraph H of Article IV, as adopted and added at the annual town meeting held on March 8, 1966, by re-lettering said paragraph as I.

2. Amend Articles IV by adding at the end thereof the following new paragraph:

J. Every application for a building certificate for the erection or alteration of any building or structure on a lot having frontage on a Class VI highway, shall be accompanied by the written acknowledgment of the applicant that he understands that the Town of Bow has no legal duty to place such Class VI highway in suitable condition for travel thereon, or to repair or maintain such highway, or to keep the same open in the wintertime.

3. Amend the Zoning Maps by transferring from an Agricultural District to a Commercial District Parcels 7, 28 and 29 and parts of Parcels 25, 26 and 27, all in Block 4 of the Tax Map; and by transferring from Commercial and Residential and Agricultural Districts to a Residential District Parcel 26 of Block 1 of said Tax Map; all as more particularly shown on Zoning Map A revised February 16, 1967 on file with the Town Clerk.

The first amendment submitted by us corrects a minor error in draftsmanship. At the annual town meeting held on March 9, 1965 the voters added a new paragraph H to Article IV of the Zoning Ordinance, prohibiting complete residences below ground level. At the annual meeting held on March 8, 1966 it was voted to add another paragraph to Article IV, relating to permits for the installation of driveway entrances, but the new paragraph was mistakenly designated as paragraph H instead of I. The proposed amendment will place the paragraph added in 1966 in its proper alphabetical sequence.

The second amendment proposed by the Board relates to building certificates for the erection of structures on land fronting on Class VI highways. These highways include all highways discontinued as open highways and made subject to gates and bars, and all highways which have not been maintained or repaired by the town in suitable condition for travel thereon for five successive years or more (RSA 230:4 VI). The Town has no enforceable duty to maintain or repair Class VI highways and is not liable for damages for injuries occurring thereon (RSA 247:1). We think that it is desirable that persons who propose to build on Class VI highways should clearly understand in advance that the Town has no legal duty to put such highways in suitable condition for travel thereon, or to repair or maintain these highways, or to plow them in the winter months.

The third amendment proposed by us would re-district two areas. One area located along Clinton Street in North Bow at or near the Dunbarton town-line would be changed from an Agricultural District to a Commercial District, as we believe this would encourage the most appropriate use of the land. The other boundary change involves land of the late Willoughby Colby in Bow Mills. This land is partly in a Commercial District and partly in a Residential and Agricultural District. The Colby family would like to have all the land zoned as Residential, and we think this single, higher classification is desirable.

We recommend adoption of the three proposed amendments to the Zoning Ordinance, all of which will appear on the ballot.

In 1963 the legislative amended RSA 36:19 so as to enable a town to authorize its planning board to approve or disapprove subdivision plats located on existing streets, as well as on proposed new streets. The Planning Board would like to be granted the added power to regulate on-road subdivisions under the amended statute. This further power over subdivisions will enable the Board to move fully protect the interests of the Town

and its citizens. An article will be inserted in the warrant covering this matter, and we urge its adoption.

Dated this 23rd day of February, 1967.

The members of the Board wish to take this opportunity to thank the residents of Bow for their cooperation and support.

BOW POLICE REPORT
FOR 1966

The Police drove 6,368 miles on patrol and received .10 cents a mile. We found 30 doors unlocked in the industrial plants and made 5 arrests all for motor vehicle violations. We had 3 house breaks and 3 industrial breaks. Only one house and one industrial plant had anything of any value taken.

We were on duty 833 hours that were charged for. We covered 15 automobile accidents.

Between 600 and 700 calls were answered.

Respectfully submitted,
HAROLD GEER
Police Chief

1966 REPORT OF THE BOW VOLUNTEER FIRE DEPT.

During 1966, your Fire Department made 69 runs as follows: 5 house, 6 chimney, 2 car fires, 18 brush and grass, 2 resuscitator runs, 6 alarm runs, 10 out of town assists, 1 lost child, 1 warehouse, and 18 miscellaneous runs.

The Fire Department is responding to more and more calls each year due to the increase in population in towns and new houses.

During the summer of 1966, John Kenyon was sent to Spruce Pond Conservation Camp at Bear Brook State Park sponsored by the Fire Department. This proved to be a gratifying project for the fireman.

During 1966 a new Mutual Aid System was started with eight other Towns in the Concord Area. Your chief was elected President of this Compact for 1966. This was done to let local Fire Chiefs know what is available to them for Mutual Aid, and to insure each town of never having to send more than one piece of equipment out of town at one time. Other towns in this Compact are; Concord, Hopkinton, Boscawen, Canterbury, Chichester, Pembroke and Loudon.

A new alerting system was put in operation in 1966. Nine receivers were bought and placed in nine different homes in town. A Base Station for this unit was also bought. When a call for fire is received at the Station, the man on duty transmits the call over the alerting system and it will alert nine men at one time. We hope to add to this system in the coming year.

In March of 1966, your chief was taken sick and was away from the Department for three months. The Department was run during this time under the very able leadership of Deputy Chief Kenneth Morgan. I would like to thank all the people in town who helped me and my family during the period of my illness.

The number of fires are still on the increase and it will take effort on the part of everybody in town to bring the fire rate down. Carelessness and children playing with matches seem to be the big fire prevention problem at this time. Most fires are caused by people and it will take people to prevent them.

The Bow Volunteer Fire Department is a good organization and its purpose is to fight fire and respond to any emergency it is called upon to do. We need more men in our fire department and I am inviting any new residents in town to join this much needed and worthwhile organization.

Remember, that during the period when the ground is not

covered with snow, a fire permit is a must for any outside burning, including charcoal burners.

Incinerators cannot be used between the hours of 9 A.M. and 5 P.M. except on days when it is raining and is permitted by the District Chief.

Respectfully submitted,
JAMES R. GOODWIN
Fire Chief

Chief Bow Vol. Fire Dept.

FIRE RECORD

Fire records are made by people — those who cause fires and those who control them. Your forest fire warden, deputy wardens, fire chief and firemen have, in spite of a prolonged drought, made one of the best fire control records in recent years. Despite a very dry spring, we in New Hampshire working together, have substantially reduced our fire incidence (885 in 1965 to 595 in 1966.)

This enviable record is largely due to two factors:

1. A closely coordinated and integrated state-town organization jointly carrying out programs of forest fire prevention, training and suppression with dedicated personnel.

2. Your appreciation of our forest fire control program and your individual effort in practicing fire prevention.

Statistics show, however, there is room for improvement. Major problems are still with us; (1) the careless disposal of cigarettes; (2) the householder's carelessness in burning rubbish; (3) the failure of woodlot owners and contractors to completely extinguish their brush burning fires; (4) failure to extinguish camp fires; (5) unsupervised children playing with matches.

New Hampshire has 4,339,000 acres of woodland to be protected. In 1966 we experienced 595 forest fires on this area and restricted acreage burned to 395 acres — a fine testimonial to the efficiency and dedication of the men who make up our forest fire control organization.

1. If you must burn you will need a permit. Permits are not issued between 9:00 A.M. and 5:00 P.M. except on rainy days. Permits are not needed when the ground is covered with snow. To minimize risk the best way to dispose of rubbish is at your authorized town or municipal dumping area.

2. Be sure all discarded smoking material is out.

3. Don't leave a live camp or cooking fire.

4. Most important — instruct your children that matches are not playthings.

TRULY — ONLY YOU CAN PREVENT FOREST FIRES

Bow 14 Fires 10.5 Acres 198 Permits Issued

Respectfully submitted,

Gerald Hight, District Chief

James Goodwin, Warden

REPORT OF THE LADIES' AUXILIARY OF THE BOW VOLUNTEER FIRE DEPARTMENT

Another year has passed, and once again the Ladies Auxiliary of the Bow Volunteer Fire Department submits its annual report to the Town of Bow.

The Ladies meet the first Thursday of each month, except July and August. This year two new members were added to our group.

We served only one supper this year. It was for the N. H. Fire Wardens in June. We also served refreshments at the Minstrel Show.

Our donations this year were \$100 to the Fire Department to help defray the expense of new hats for the men. \$10 was given to the Jimmie Goodwin fund. \$5 was sent to the Salvation Army and \$10 to the State Hospital.

Francis Whitney gave our group an American flag.

A new group of officers was elected this year and is as follows:

President	Ruth Downs
Vice President	Pauline Barter
Secretary	Orissa Lee
Treasurer	Dorothy Kennedy
Sunshine Committee	Mable Hammond, Alice Chapdelaine

Our thanks of appreciation goes to the outgoing officers for jobs well done.

Respectfully submitted,
Orissa Lee, Secretary
Ruth Downs, President

SCHOOL WARRANT

The State of New Hampshire

To the Inhabitants of the School District in the town of Bow qualified to vote in district affairs:

You are hereby notified to meet at Community Center Building in said Bow on Tuesday, the 14th day of March 1967, at 11:00 o'clock in the forenoon, to cast ballots from that hour of said day until 8:00 o'clock in the evening for the following District Officers:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.

Given under our hands at said Bow this 24th day of February 1967.

SCHOOL WARRANT

The State of New Hampshire

To the Inhabitants of the School District in the town of Bow qualified to vote in district affairs:

You are hereby notified to meet at the Bow Memorial School in said district on the 17th day of Marcy, 1967, at 8:00 o'clock in the evening, to act upon the following subjects:

1. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.

2. To hear reports of Agents, Auditors, and Committees or Officers chosen and pass any vote relating thereto.

3. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

4. To see if the district will authorize the school board to contract with the Concord Union School District and any other school districts for the tuition of Bow pupils in the high school of said districts at an amount necessary to provide therefor.

5. To see if the district will vote to authorize the School Board to make application for and to accept, on behalf of the district, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States, provided such grants do not jeopardize local control of our system.

6. To see if the school district will vote to authorize the employment of a Business Administrator for New Hampshire Supervisory Union No. 19 according to RSA 186:11 II, XXII, XXIII, XXIV as amended.

7. To see if the school district will vote to appropriate the sum of \$5,000.00 to be put into the capital reserve fund for replacement of busses.

8. To see if the District will vote to authorize the Moderator to appoint a Building Committee composed of the School Board, one Selectman, one member each of the Planning and Budget Boards, and three other Citizens, for the purpose of studying our future school construction needs and produce as a result a complete detailed plan of action to meet these requirements. This committee to be authorized by the District to engage the services of an Architect to assist them in making a study and evaluation, and to determine the estimated date of need and cost of such

construction. The resulting plan to be presented to the Citizens of the Town for their approval at a special school district meeting to be called by the School Board, or at the next annual meeting.

9. To see if the District will vote to raise and appropriate a sum of \$10,000.00 for developing a school building program, such appropriation to be available to the Building Committee.

10. To see if the District will vote to provide transportation for Bow students Grades 9-12 inclusive attending schools in Concord, and to raise and appropriate the sum of \$28,000.00 for this purpose. (Inserted by petition.)

11. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

12. To transact any other business that may legally come before said meeting.

Given under our hands at said Bow this 24th day of February 1967.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Bow:

I herewith submit my fifth annual report relating to the Bow Mills School and the Bow Memorial School.

The Superintendent of Schools office staff administers and supervises the schools and manages the school district business of Bow, Dunbarton, Goffstown, New Boston and Weare. This current school year the Supervisory Union added the services of Arthur Wagman, Business Manager in charge of the non-instructional and specialized business and accounting services. The school district warrant has an article that will designate his title as "Business Administrator". An affirmative vote by a majority of the school districts representing 85% of the students in the towns will entitle the Supervisory Union to a state subsidy of \$2,700 toward his salary. There are currently more than 180 employees on the payrolls of the five towns with 33 in Bow. The total budgets are fast approaching two million dollars annually exclusive of building programs.

The September enrollment in the Bow schools was 358 students with 181 in the Bow Mills School grades 1 through 4 and 177 students in the Bow Memorial School, grades 5 through 8.

The following table indicates the growth during the last five years:

Total Enrollment (Grades 1 through 8)

<u>1962-63</u>	<u>1963-64</u>	<u>1964-65</u>	<u>1965-66</u>	<u>1966-67</u>
257	310	320	333	358

High School (Tuition Students)

<u>1962-63</u>	<u>1963-64</u>	<u>1964-65</u>	<u>1965-66</u>	<u>1966-67</u>
90	98	118	134	137

Totals	347	408	438	467	495
--------	-----	-----	-----	-----	-----

The continual increase in the number of boys and girls enrolled in the Bow schools makes it imperative that a building study committee is named to study and make recommendations relative to the immediate and future school building needs of Bow.

The total enrollment increase indicates a need for the consideration of expanding our present Bow Memorial School in the

very near future. The possible inclusion of grades 1 through 4 in an addition to the Bow Memorial School should be carefully studied by any future building committee.

The 1966-67 school year marked the beginning of a full time supervisory principal for the Bow Schools. John Lyford assumed the role after serving as teacher-principal for two years. Under Mr. Lyford's leadership much progress has been made in the acquisition of audiovisual equipment such as film strip viewers, educational phonograph records, programmed instruction tapes and overhead viewers. A special class has been instituted under Title I funds. A comprehensive physical education program has been adopted. Included in this is a pilot program for grades 7 and 8 with swimming instructions at the Concord Y.M.C.A. pool on Tuesday mornings for one hour instructional periods in swimming skills. It is anticipated that the program will be extended to include lower grades next year.

The teaching staff participated in a Language Arts inservice training program with Dr. Roselmina Indrissano of the University of New Hampshire as consultant. The program is a second phase of the inservice program undertaken last year with a social studies curriculum study. A member of the University of New Hampshire staff has been engaged for the 1967-68 school year as a consultant in the teaching of mathematics. Teachers have also been engaged in science and art curriculum studies.

The libraries of both schools have been staffed by women of the community on a volunteer basis. This has made possible a better utilization of the materials and the library facilities. Many fine books have been added to the library. A planned program has been initiated to enable the Bow school libraries to meet the American Library Association standards in the near future.

The recent improvements in the school system of Bow include full time supervision, increased staff, services such as a full time remedial reading teacher, improved student libraries, a special class and added modern materials and teaching equipment. Current and proposed Curriculum Development will contribute to the excellence of Bow education. The solid support of good education for Bow is an encouraging sign for the future.

The Bow School Board under the Chairmanship of Morris Foote and comprised also of Mrs. Muriel Howard, Secretary, and Roy Peaslee has dedicated itself to quality education for every boy and girl of Bow. Through the efforts of the board sound educational policies have been developed with a spirit of true public service.

I wish to acknowledge the support and cooperation extended to the administration by the school board, principal, teachers, pupils and citizens of Bow as well as the loyal support of the Supervisory Union office staff.

Respectfully submitted,

ERNEST PELTONEN
Superintendent of Schools

SUMMARY OF FINDINGS AND RECOMMENDATIONS

September 9, 1966

The School Board
Bow School District
Bow, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Bow School District for the fiscal year ended June 30, 1966, which was made by this Division. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

FINANCIAL STATEMENTS

Comparative Balance Sheets: (Exhibit A)

Comparative Balance Sheets as of June 30, 1965 and June 30, 1966, are presented in Exhibit A. As indicated therein, the Net Debt decreased by \$78,392.06 during the fiscal year ended June 30, 1966.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1966, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a net unexpended balance of ap-

propriations of \$1,328.52, plus a revenue surplus of \$5,038.48, resulted in a net budget surplus of \$6,367.00.

Summary Statement of Receipts and Expenditures: (Exhibit E)

A summary statement of receipts and expenditures for the fiscal year ended June 30, 1966, made up in accordance with the uniform classification of accounts, is included in Exhibit E. Proof of the Treasurer's balance as of June 30, 1966, is indicated in Exhibit F.

Statement of School District Tax Account: (Exhibit G)

A statement of the School District Tax Account with the Town of Bow for the fiscal year ended June 30, 1966, is presented in Exhibit G. As indicated therein, as of June 30, 1966, a balance of \$2,247.11 was due the School District from the Town on account of the 1965-66 School Tax.

Statement of School Lunch Account: (Exhibit H)

A statement of the School Lunch Account for the fiscal year is contained in Exhibit H.

Statement of School Building Fund Account: (Exhibit I)

A statement showing the activity in the Building Fund Account during the fiscal year ended June 30, 1966, is included in Exhibit I.

Statement of Bonded Indebtedness: (Exhibit J)

A statement of the outstanding bonded indebtedness of the School District, as of June 30, 1966, showing annual debt service requirements, is contained in Exhibit J.

GENERAL COMMENTS

Current Surplus:

The current surplus (excess of total assets over current liabilities) increased from \$2,974.94 to \$6,367.00, during the fiscal year ended June 30, 1966, as shown herewith:

	<u>June 30, 1965</u>	<u>June 30, 1966</u>
<u>Total Assets</u>	\$17,526.02	\$19,015.77
<u>Current Liabilities</u>	14,551.08	12,648.77
<u>Current Surplus</u>	<u>\$ 2,974.94</u>	<u>\$ 6,367.00</u>

Conclusion:

The provisions of Chapter 184 of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Bow School District for their assistance during the course of the audit.

Yours very truly,

Harold G. Fowler

Director

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Bow School District for the fiscal year ended June 30, 1966. In our opinion, the Exhibits included herewith reflect the true financial condition of the School District on June 30, 1966, and the results of operations for the fiscal year ended on that date.

Respectfully submitted,

Harold G. Fowler
